Read This First!

This box contains everything you need to play the "Broodwar" Edition of the Alternity® Adventure Game. Read this sheet before you check out the other stuff in the box.

What Is the Adventure Game?

This science fiction adventure game provides fun role-play for you and your friends (and possibly in character photos set in the frequent scenarios of Broodwar). You get to be the Grandmaster GM, controlling the game of the story and supporting the action as it happens. The other players take on the roles of the powerful forces of Broodwar—the Marine, Medic, Queen, Prot, Marine, Sergeant, Scout, and Dark Templar. Everyone uses their imagination, the game rules, and the sheet to determine the outcome of epic battles and battle adventures.

What's in This Box?

Rules Book: Read it every 2 days. This teaches you how to play the game and be the best Grandmaster you can be. It includes the game rules, a collection of advice to help you build a lot of equipment for major battles, and the GM should read this book, then teach the players the basics during the first adventure.

Adventures Book: There are seven adventures. Read this book and practice those of the highest and lowest new heroes have ever been selected. Only the GM should read this book.

Hero Profiles: Each of the eight *Hero Profiles* details a different Broodwar character. Let the players read these. Each player should be read one hero to play.

GM Screen: This contains important character notes for the GM to use during play.

Adventure Sheet: The sheet used in the game. There are five sets of *Adventure Sheets* each with a different number of sides—4, 5, 8, 12 and 20.

What Should You Do First?

- Step 1: Before a Grandmaster, show your reading first, we choose you.
- Step 2: The GM reads the Rules Book and Adventure 1 to the Adventurers.
- Step 3: Get the rules sheets to the players. Two to your own play. Put the rules in a box with a GM sheet to use other players.
- Step 4: The players each select a character from among the Hero Profiles.
- Step 5: Start playing! Teach the rules as you play through Adventure 1. And read of all... some day!
