CONFIGURE SKILLS

Specialization

Heavy Armor Training 5
While you have body armor, you only take Health damage from sonic attacks and clots can't grab you. You begin each game with 50% Armor.

Tactical Movement
No movement penalty for using iron sights or crouch movement with perk weapons.

Assault Techniques

Close Combat Training 10
Increase damage with your 9mm pistol and knife 85%. You begin each game with dual 9mm pistols.

Tactical Reload
Increase reload speed with perk weapons.

Equipment

Suppression Rounds 15
Increase stumble power 100% with all perk weapons.

Ammo Vest
Carry up to 30% more ammo for each perk weapon.

Defensive Techniques

Assault Armor 20
Maximum Armor increases by 50%. You begin each game with 50% Armor, which stacks with Armor gained from Heavy Armor Training.

Cripple
Multiple hits with Perk weapons will slow Zeds down by 30%. Head and weak spot shots apply it twice as fast.

Specialist Training

ZED TIME - Battering Ram 25
During Zed time, you move fast in real-time and deal massive damage and knockdown to any Zed that touches you.

ZED TIME - Rapid Assault
During Zed time, when using perk weapons you have unlimited ammo, shoot in near real-time, and increase stumble power by 100%.
